New this year! Sharing Shorelines

Three unique interactive outdoor sessions with ideas & hands-on demonstrations to inspire the naturalist in you! Learn how to get the most out of any shoreline experience whether it be with family, friends, or students!

TICKETS ARE LIMITED!

SATURDAY, APRIL 11, 2015

Fidalgo Shoreline Academy, is an annual “Day of Learning” designed to inspire community members to care for and protect our marine environments and nearshore natural resources. Please join us by choosing from a variety of lectures and interactive programs offered by local and regional experts, researchers, and volunteers!

Attention teachers: 4.5 continuing education Clock Hours available for \$14 through NWESD for attending the full day. Please indicate on your registration if you are interested and we will e-mail instructions.

**Keynote: “The Salish Sea: Jewel of the Pacific Northwest”
-Dr. Joe Gaydos**

Dr. Joe Gaydos is the Senior Wildlife Veterinarian & Chief Scientist for SeaDoc Society, a science based marine conservation program of the UC Davis Wildlife Health Center located on Orcas Island with a focus on designing a healthy Salish Sea.

For over a Decade, Joe has been working on wildlife health and ecosystem health issues in the Pacific Northwest. Joe works to connect people to the amazing resources of the Salish Sea and was recently honored with the 2014 Seattle Aquarium Conservation Research Award. We’re excited to partner with Watermark Bookstore to offer a special book signing opportunity for Joe’s recently co-authored book, *The Salish Sea: Jewel of the Pacific Northwest*.
