Films with Friends

## 2016 Environmental Film Series

Coming this fall

September 30, October 14

October 28 & November 11

## Call for Student Film Entries

Friends of Skagit Beaches is a 501c3 non-profit in Skagit County committed to educating the public about our local marine treasures and what they can do to protect and preserve these resources. Since 2014, we have offered a fall environmental film series that is free to the public. We are now organizing our 2016 film series that will feature four full length environmentally themed documentaries. Before each film, we preview a short film created by regional students and nonprofits. In past years, students from WWU and Anacortes High School have shown their films at this event. Those films are now archived on our Vimeo channel at <https://vimeo.com/user33200738>.

New in 2016, we are soliciting entries from local students for short films (~ 5 – 10 minutes) that will be reviewed by our selection committee. We will select three films to be shown at one of the film nights listed above. Following the film series these shorts will be posted on the Friends Vimeo channel and available to the public.

## Entries due by August 31, 2016

For information & to submit your film for consideration, contact:

Betty Carteret at (360) 299-8553 or email [friends@skagitbeaches.org](mailto:friends@skagitbeaches.org)
